# Bayer Investigator Award at PKU 2017 Call for Applications

# Introduction

- **The Bayer Investigator Awards** are presented annually as part of the collaboration agreement between Bayer and PKU.
  - 6 investigators will be selected in year 2017
  - award amount of 100K CNY for each winner
- **Eligibility criteria** of the Bayer Investigators are:
  - full-time employed by PKU in the awarding year
  - work in the School of Life Sciences, Institute of Molecular Medicine, School of Chemical Biology and Biotechnology at PKU Shenzhen Graduate School, PKU Health Science Center, College of Chemistry, or other life science related institutions of PKU
  - independent of having a project with Bayer
  - must not be healthcare professionals, or employed by a hospital due to international compliance requirements
  - previous winner may not apply again

# Selection

- Selection of the Bayer Investigators is based on **two considerations**:
  - research excellence, e.g. publications in the last five years
  - research relevance to Bayer's areas of interest, which are Oncology, Cardiovascular Diseases, Gynecology, and technologies that enable drug discovery
  
- Selection will be conducted by the Joint Steering Committee (JSC), which consists of 4 PKU professors and 4 Bayer representatives.
  - JSC members from PKU:
    - Prof. Hong WU
    - Prof. Ruiping XIAO
    - Prof. Zhen YANG
    - Prof. Weigang FANG
  - JSC members from Bayer:
    - Prof. Dr. Hanno WILD
    - Dr. Ulrich NIELSCH
    - Dr. Hans LINDNER
    - Dr. Tom KINZEL

# Obligations

- Winners of the Bayer Investigator Award shall:
  - acknowledge the financial support from Bayer in their talks and publications in related areas of interest
  - name Bayer as sponsor, using Bayer corporate logo, on their group website
- Winners of the Bayer Investigator Award are requested to attend the Award Ceremony, which is planned for **May 12<sup>th</sup>, 2017** to be held at PKU.
